

Overall

This overall score is a shorthand description of our impressions of what we saw on your tape. Often it's a simple average of the points you received in previous categories. Other times our intuition has altered that simple calculation.

Observations and Comments

The ratings and remarks included in this Individual Performance Tracker are my reactions to the material you provided. They do not represent an evaluation of your entire body of work and do not represent the opinions of any other party. If you have any questions about the comments here or need additional help, don't hesitate to contact me.
